

Don't Get Caught **Red Handed**

Send Those Germs Down The Drain!!!

- **Wash your hands** with soap and warm running water
- **Rub your hands** vigorously to remove germs for 15-20 seconds
- **Rinse your hands** under running water
- **Dry your hands** well with a paper towel; use it to turn off the faucet and open the door, then throw away

**HANDWASHING IS THE SINGLE MOST IMPORTANT MEANS
OF PREVENTING THE SPREAD OF INFECTION.**
