

Prescription Drug Discount Cards

You can receive a discount of up to 20% on your prescription medicine when your prescription is not covered by insurance. There is no enrollment form and no membership fee. There are no limits on how many times you may use the card.

Cards are specific to the county in which you reside. The Sarpy Cass Department of Health and Wellness has cards available at no charge for both Sarpy and Cass Counties or, you may call the health department at 402-339-4334 ext. 207, to have a card mailed to you.

Visit <https://naco.advancerx.com> to look up a participating pharmacy and a price estimate for your prescription. For more information on the cards, call NACO (National Association of Counties) at 877-321-2652.
