

# Child Passenger Safety Seat *Free* Inspection Event

Nearly 90% of Child Safety Restraints  
are installed incorrectly in Nebraska  
Find out if your child's is one of them

Saturday, February 13, 2010  
9:00 a.m. - 12:30 p.m.  
Saturn of Bellevue  
903 Alberta Avenue  
Bellevue

Certified Child Passenger Safety  
Technicians will be on site to:

- Help you determine if you have the right car seat
- Teach you how to install it correctly
- Answer any questions you may have

Please bring your child(ren), car seats, the vehicle your child will ride in most of the time, vehicle and car seat manuals, and another adult to help out. No appointment is necessary. Plan to spend 30 minutes per car seat learning proper installation techniques.
