## FOR IMMEDIATE RELEASE

### Patient Under Investigation for COVID-19 Lab Results are Negative

A resident of the Sarpy/Cass Health Department jurisdiction had been under investigation for possible COVID-19. Today, the Health Department received notification that this individual has tested negative for the disease.

The Health Department provides simple tips to help reduce the spread of any respiratory illness including COVID-19. “Wash your hands often, avoid sick people, don’t touch your face, hands or nose, and stay home if you are sick. These are all things we as a community can do to keep ourselves healthy” said Sarah Schram, Health Director.

COVID-19 symptoms include a fever, cough, and breathing difficulties. Anyone who is experiencing these symptoms should contact their health care provider. Most people who become ill from this disease will recover with rest, fluids, and by taking pain and fever medication.

For more information regarding COVID-19 please visit the Center for Disease Control and Prevention website at <https://www.cdc.gov/covid19>
